Readers determine the quality and relevance of a book.

**The average customer review for this book on amazon.com is 5 stars (highest possible rating).**

The following customer reviews speak for themselves.

“I wept, and laughed. I set the book down in sorrow and picked it up in anticipation. If the author, Jan Jenkins, meant for us to feel her family’s journey, she succeeded indeed.”

—Diane Brander, *owner, Brander and Associates*

“*Footprints of Courage* is told in frank detail by the victim's mother...Jan Jenkins wrote poignantly about her family's devastation...yet she maintains a remarkable objectivity. You will not be able to put it down.

This is a very gripping and unsettling book. I would highly, highly recommend it.”

—Paul V. Froiland, *author, concerned citizen*

“Every parent who has sent or will be sending their child off to college should read this very emotional book. Kids should read this and heed the pleas of the Jenkins family and friends.”

—Peg Frankfurt, *educator*

“Deeply loved and deeply liked, Chris embodied so many positives, it is an extra special torture to lose one like him for a family and a community. People who get close to this story feel that loss; it captivates them... truly a gift to share about a life like that.”

—Deborah Stelfox, *wellness consultant*

“Jan Jenkins is a good writer, constructing a flowing, logical story of the circumstances surrounding her son’s murder... the book is compelling and emotional... a bit of a wake-up call for me not to take anything for granted... a reminder to treasure every single day with my family.

I highly recommend the book.”

—Mark Eldridge, *Hewlett-Packard, Enterprise Account Manger, The Walt Disney Company*

“This book was fantastic. I couldn't put it down. The author has an uncanny ability to make the reader feel what her family went through...the good, the bad, and the downright ugly.

Thanks for the great read, your family is amazing.”

—Lori Nordstrom, *avid reader*

“*Footprints of Courage* will become an inseparable 'how to' companion for those needing a touchstone, a way-finder, a guide and guiding light, a step-by-step approach for handling the seemingly impossible.

For everyone, Jan's book is a story of unbridled passion, love, hope... and 'finishing strong'...”
